Performance notes:

Bruce More prefers to perform this piece with straight eighths through-out, while Charlene Archibeque prefers that the eighths swing starting m. 9. Directors are encouraged to try it both ways and draw their own conclusions. This arrangement has also had successful a cappella performances. "De" should be pronounced according to the rules for "the"—*duh* before consonants, *dee* before vowels. The piano accompaniment is optional, measures 33-39 and 49-56.
